Rental villa Villefranche sur Mer — Price on demand

Wonderful contemporary style villa with panoramic views over the sea and Cap Ferrat

An eagle's nest built against a hillside, this architecturally designed villa appears sculpted from the rock itself – a marriage of rough stone and polished glass unmatched in its class. Bayview's magnificent terraces – some intimate and shaded, others sweeping and extravagant – give a breath-taking panorama of the Bay of Villefranche.

At its heart, a sculpted staircase leads to a lush roof-garden; within the villa, the spaces are light-filled and extravagant, designed for calm contemplation or, equally, for impressive entertaining. And, always, everywhere, those spectacular views...
